

TRAVEL VACCINATION REQUEST FORM

Date form completed

Please fill in this form at least 6-8 weeks prior to your holiday and hand it in to reception. **Unfortunately we cannot provide a travel service to any patient who fills their form in less than 4 weeks prior to travelling.** This information will help us to tailor your vaccination requirements to suit your holiday.

Please note that some courses of vaccinations do incur a charge – please see attached list of vaccines and charges – please note that all non NHS vaccines incur a £35.00 admin fee. Where there is a charge please be aware that payment is required at the time the vaccines are administered. We now accept card payments, cash and cheque.
